

The BMJ is an international peer reviewed medical journal, updated daily online and available in print every week. It publishes rigorous, accessible and entertaining material to help doctors and other decision makers in their daily practice, lifelong learning and career development. The BMJ now has a fully responsive site and an iPad app.

UK, US, India and international homepages are also available. You will be automatically directed to your relevant country homepage but use this navigation to see other country specific content.

KEY

1. Register for email alerts, update your details or email preferences
2. View the latest content, news and features
3. Easily search for content back to volume 1, issue 1 (1840), or use the advanced search feature to search by author, title, or DOI
4. Browse by content type through individual channel pages for research, education, news & views, and campaigns
5. Read and interact with the latest education content, from endgames quizzes to CME articles
6. Browse the print and online archives or browse by specialty - 300+ clinical or non-clinical specialties. You may also visit the podcast and video archives from here
7. Browse the latest jobs
8. Read the current print issue or download the iPad edition
9. Vote in our weekly poll
10. Submit your paper to The BMJ

The screenshot shows the BMJ website homepage with various sections and callouts:

- Callout 1:** Located on the 'Get alerts' button in the bottom right navigation area.
- Callout 2:** Points to the main article 'Will Tamiflu recommendations change this winter?' in the 'Latest articles' section.
- Callout 3:** Points to the search bar in the top right navigation area.
- Callout 4:** Points to the 'Research' dropdown menu in the top navigation bar.
- Callout 5:** Points to the 'Latest articles' section header.
- Callout 6:** Points to the 'Archive' dropdown menu in the top navigation bar.
- Callout 7:** Points to the 'Jobs' dropdown menu in the top navigation bar.
- Callout 8:** Points to the 'Management of obesity: latest NICE guidance' article in the bottom right section.
- Callout 9:** Points to the 'This week's poll' section in the bottom middle area.
- Callout 10:** Points to the 'Submit your paper' button in the bottom middle navigation area.

Other visible elements include the 'thebmj' logo, navigation menus for 'Research', 'Education', 'News & Views', 'Campaigns', 'Archive', 'For authors', 'Jobs', and 'Hosted'. The 'Latest articles' section features several articles with images and titles, such as 'Antibiotics in fetal and early life and subsequent childhood asthma' and 'India is among top five countries for mortality in children under 5'. The 'More articles' section is organized into columns for 'Editorial', 'News', and 'Research news'. The 'Latest responses' section lists several discussion topics. The bottom navigation bar includes buttons for 'Subscribe to The BMJ', 'Last 7 days', 'Submit your paper', and 'Get alerts'. A video player is visible in the bottom left, and a 'This week's poll' is in the bottom middle.
