

UpToDate

Access and registration

At your hospital

Access is automatic. Just identify the link on your hospital computer, intranet or on the [Clinicians Health Channel](#) (CHC) and click through

Outside your hospital network

If you wish to access UpToDate from outside the DHHS Victoria network, you must first go to the CHC site and from there, click the link to UpToDate. If you are not registered for offsite access to the CHC, register [here](#).

UpToDate for targeted rural clinicians

The UpToDate® clinical resource is now available to support 50 rural health services in Victoria. It includes COVID-19 clinical resources to assist with your response.

To gain access, you need to navigate to [UpToDate](#) from one of the **health services**. For offsite access, you can use your Clinicians Health Channel login. If you need mobile app access, register for an UpToDate account first, log in from your device, and download the app. For help please contact CHC Help Desk on 1800 107 421 or email chhelpdesk@medicaldirector.com.

You will be presented with the home page of UpToDate where you can use all of its features outlined in the UpToDate User Guide. [▼](#)

You will notice that you are recognised as DHHS, Victoria.

If you already have an UpToDate account, select 'Log In' and enter your UpToDate account details. If you would like to register for an individual UpToDate account, select 'Register'.

The screenshot displays the UpToDate website interface. At the top left is the UpToDate logo. A blue navigation bar contains links for 'Contents', 'Calculators', 'Drug Interactions', and 'UpToDate Pathways'. On the right side of this bar are 'Register' and 'Log In' buttons. Below the navigation bar is a search box with the placeholder text 'Search UpToDate' and a magnifying glass icon. Underneath the search box is a section titled 'COVID-19 Information' with a list of links: 'Clinical topics', 'Society guidelines', 'Patient education', 'Questions and answers', and 'UpToDate Pathways'. In the top right corner, there is a small indicator for 'DHHS VIC' with a dropdown arrow.

UpToDate access and registration

You will now be presented with the below screen to which you can enter your personal details and then click submit registration.

Make the most of your UpToDate experience: Register for an account and benefit from mobile access to our trusted clinical content. Plus, earn and redeem CME/CE/CPD credits while you work.

Already registered? Please [log in](#) with your UpToDate username and password.

Create your username and password

Password rules:

- 8 to 24 characters
- at least 1 uppercase letter
- cannot match username
- at least 1 number, or special character from the following set:
 . - _ @ # \$ * ! () + =

Once you have registered, you will receive a confirmation email in order to confirm your account. Click the link in the email and your account registration will be complete. In order to validate your account, UpToDate requires you to sign in to your account every 6 months from a DHHS Victoria Computer. If this requirement is not met, your account will be temporarily disabled until you log in from a DHHS Victoria Computer.

Once you have successfully registered and logged in to UpToDate, your name will appear in the welcome message on the home page.

Now that you have an UpToDate account, you are able to download the UpToDate mobile app to your phone and log in using your account details. For further instruction, please see the UpToDate mobile download guide CHC.

For assistance, please contact the CHC
